VDA Discusses Power Supply Infrastructure for Transport Nagar Scheme

Meeting on Substation Construction for Transport Nagar Scheme

Vice Chairperson Shri Pulkit Garg led a meeting with the Chief Engineer and Superintending Engineer of the Electricity Department to discuss the construction of an electrical substation in the Transport Nagar Scheme. Held in the VDA auditorium, the meeting focused on ensuring adequate power supply for future developments. Key attendees included Exe Er Anand Mishra, Arvind Sharma & Asst Er Lala Satish Suman and Shivaji Mishra, underscoring the collaborative effort to enhance the region's infrastructure.

VDA Hosts Positivity and Motivation Workshop for Employees

Workshop on "Communication of Positivity and Motivation"

Under the guidance of Vice Chairperson Shri Pulkit Garg, the Varanasi Development Authority organised a two-day workshop on May 16 and 17, 2024, focussing on "Communication of Positivity & Motivation" for its field personnel. Expert Ms Sneha Vashisht led the sessions, offering valuable insights into practical work knowledge, effective communication, and maintaining physical and mental well-being. The workshop left a lasting impression on the attendees, who committed to applying these positive principles in their daily lives.

Infrastructure Development in Ramnagar Industrial Area

Road Construction in Ramnagar Industrial Area

The Varanasi Development Authority is making significant progress in infrastructure development by constructing a 325-meter-long CC road in the Ramnagar Industrial Area, funded by its infrastructure fund. The Granular Sub Base (GSB) layer has been completed, and the Dense Bituminous Macadam (DBM) layer is currently in progress. Junior Associate Engineer Rohit Jaiswal recently inspected the site, emphasising the Authority's commitment to timely and quality infrastructure enhancements.

VDA Enhances Infrastructure in Sarnath

Road Repair and Drain Work Completed in Sarnath

The Varanasi Development Authority has completed a 220-meter road repair project near Rudra Laxmi Kund in Ward Sarnath, Mauja Mawaiya, Pargana Shivpur. Alongside the road repairs, interlocking and KC drain work were carried out on both sides of the road, improving the area's infrastructure and drainage system.

VDA Enhances Sarnath's Appeal with Designer Light Stone Bollards

Pro-Poor Project: Designer Light Stone Bollards Installed at Sarnath

The Varanasi Development Authority has installed 94 designer light stone bollards along Dharmapala Road, 615 meters, as part of the Pro-Poor Project in Sarnath. This initiative aims to enhance the beauty of Sarnath's archaeological heritage and attract more tourists to the area, promoting cultural appreciation and economic growth.

VDA Enforces Regulations, Seals Illegal Construction

Varanasi Development Authority Takes Action Against Illegal Construction in Zone-4

In line with the instructions given by the Vice Chairman, the Varanasi Development Authority's enforcement team in Zone-4 carried out sealing proceedings against illegal construction. Sonu Sahni, son of Kali Prasad, constructed a hall and staircase on the ground floor of a building (number 7/99) in Baghada Sonarpur, Ward-Bhelupur, without proper approval. The unauthorized G+3 construction was sealed on May 20, 2024, under sections 27, 28(i), and 28(ii) of the Uttar Pradesh Town Planning and Development Act, 1973, and handed over to the police for continuous monitoring. Zonal Officer Pramod Tiwari and Assistant Engineer RK Singh were present during the enforcement action.

IMPORTANT ADVISORY: Varanasi Development Authority VDA urges all the citizens of Varanasi to refrain from buying or selling properties with illegal constructions or plotting. All citizens are also advised to secure mandatory map approvals before any construction activity to avoid engaging in illegal construction practices.
