## Concept

"Vocal for Local" is not just a mantra—it's a vision for a sustainable economic system that celebrates and uplifts local craftsmanship. Drawing inspiration from the rich cultural heritage of **Athangudi**, along with the exquisite craftsmanship of local **Carpet Weavers** and **Saree Weavers**. These artisans bring generations of expertise and artistry to every piece they create. By offering the option of carpet tiles, we present a fresh take on traditional carpets, allowing you to bring the classic, timeless beauty of handwoven carpets into modern spaces, this initiative showcases traditional designs reimagined with contemporary colours, bringing timeless artistry into the modern world.

Proposed Pattern

TAKEN THE IDEA FROM SAREE BLOCK PRINTS THIS DESIGN IS PRE CASTED IN CEMENT CONCRETE AS SHOWN IN REFEREAL IMAGE

### KEY ELEMENT ON EXTERIOIR WALL

#### BLOCK CASITNG IN CONCRETE

Our stenciled design ideas draw inspiration from the intricate techniques of local saree weavers, who skillfully use stencils to create traditional block patterns on fabric. Embracing this heritage, we are reimagining these motifs in a new medium—**precast concrete**. By translating these cultural patterns into durable, architectural elements, we aim to celebrate and preserve artisanal craftsmanship in a contemporary context, blending art, tradition, and innovation.
